

## Fortune Teller Instructions

1. Print fortune teller and cut out along outside lines.
2. Write fortunes or dares into the blank inside spaces.
3. With the printed side up, fold the square in half vertically and horizontally, and then open up. Fold diagonally and open up.
4. With the printed side down, fold each corner over so they meet in the middle; do not allow them to overlap.
5. Leaving this square folder, flip it over and again fold the corners into the centre, not allowing them to overlap.
6. Fold this square in half, and then place thumbs and forefingers under the X and O flaps.
7. Bring your fingers together.
